Dear ladies,

It is with great pleasure that I'd like to thank you all for your continued support, trust and faith in me to serve you all as President for this coming year. To be simply nominated is a great honour - I am extremely excited for the year ahead and I hope you all are too!

I'd like to take this opportunity to thank our executive committee, both old and new members, as without them FIWAL would not be what it is today. I'm sure you'll all join me in giving special thanks to Laura too who makes this newsletter possible!

As always, we will strive to promote and work towards FIWAL's aims of broadening international friendship, understanding and communication. This cannot however happen without you! I encourage you all to take a look at our upcoming member club events below and invite your friends along to what will surely be a wonderful occasion. After all this beautiful weather will not last forever!

I wish you all a relaxing and safe summer holiday with your families and
